WHO WE ARE

Malbaie Solutions is an SBA certified 8(a), woman-owned small business delivering innovative business intelligence and digital transformation solutions to the federal government. At the intersection of technology and design is where our team of business analysts, technologists, developers and data scientists work together to create user-centric products and experiences that people value. Focused on business information including acquisition, budget, and other other administrative data, we have perfected the balance between **data analysis** and **cross-functional reporting** to help organizations make cross-cutting decisions.
